BHK Fidget is a chaotic mash of sonic mayhem for your Daw. This pack contains over 350 bent sounds for the true underground Fidget producer.

This upfront sample pack contains the most bad ass Fidget bass lines, Freaky efx loops and License Free original studio made vocal loops. The elements in this pack can be combined cut and reworked to give you the ultimate creative experience while using the samples in any Fidget production. All the samples are pumped up just enough to give you head room to tweek out the samples with effects to fit your productions needs.

The samples in Bhk Fidget are perfectly cut and ready to rock in your production or remix. The loops are available as Apple Loops, Acid wav and Rex.2 files

BHK steps up the usability of this pack by including a bonus folder with 15 sizzling license free Scratch Loops by teaming up with DJ Sykopath. All the samples are all key grouped and ready to go in Kontakt 3 format.

The pack includes usable top loops, kicks and various modern percussion so you can create your own beats with a true fidget flavor.

BHK's Fidget is truly a pounding source for the most intense fidget drum loops and twisted sounds.

The synth and modulated bass hit's included in the pack are also great for Techno, Dub Step, Crack House, Grime, Uk Funky and Mashups.

All the one hits, Fidget bass's, scratch hits and vocal bits are all set up in Battery 3, NN-XT, NN-19, Redrum and Kontakt 3 formats. This banging pack is also available as a Reason Refill.

If your looking for a sample pack with all you need to produce great fidget tracks, or to use elements with real fidget flavor in your production or mix, then this Industrial Strength sample pack is for you.
